PRULink Global Equity Navigator Fund

(Php Unhedged Share Class)

Thinking of expanding your investment boundaries or aiming to grow your money for the medium to long term?

Break limits and bring your wealth goals to life with PRULink Global Equity Navigator Fund (the Fund)!

The Fund aims to provide investors with high potential returns by investing in a diversified range of global stocks including exchange traded funds, direct equities, and various forms of derivatives.

Who may avail of the Fund?

New and existing policyholders may invest in the Fund by attaching it to any of the following peso-denominated Insuravest* products:

- PRUMillionaire
- PRULink Investor Account Plus
- PRULink Elite Protector Series
- PRULink Exact Protector
- PRULink Assurance Account Plus
- PRULife Your Term with Variable Life Rider
- PRUHealth Prime

Fund switching, premium redirection, or top-up transactions are available for existing policyholders.

**Insuravest is Pru Life UK's investment-linked life insurance product that offers both protection coverage and investment benefits.*

To learn more about the Fund, visit www.prulifeuk.com.ph or contact a Pru Life UK insurance agent.

Why invest in the Fund?

Access to global stock markets using Philippine Peso (PhP)

Invest in a fund comprising of a variety of global equities and equity funds without the need to convert your PhP to different currencies.

Multi-factor investment strategy to lessen volatility

Maximize earning possibilities and minimize risk exposure across market and economic conditions by investing in value, quality, low volatile, low size, and momentum stocks.

Protection coverage while investing your money

Secure yourself and your family's future with life insurance benefits that primarily come with the Fund.

Are you suitable to invest in the Fund?

The Fund is primarily for Pru Life UK policyholders with an aggressive risk appetite who are willing to accept a high level of investment volatility and high risk of possible capital loss to achieve significant potential return in the long run.

Where is the Fund invested?

The Fund invests mainly in global equities including exchange traded funds, index futures, direct equities, and derivatives. It may also invest in fixed-income securities, money market instruments, cash, and time deposits.

Asset Allocation

100% stocks

Structured as a feeder fund, it invests in Global Equity Navigator Fund - Class D managed by Eastspring Investments (Singapore) Ltd. The Fund is unhedged and subject to foreign currency risks.

Established in 1996, Pru Life UK is the pioneer of insuravest, or investment-linked life insurance products, in the Philippines and is one of the first life insurance companies approved to distribute US dollar-denominated investment-linked life insurance policies in the country. Since its establishment, Pru Life UK has expanded its reach to over 190 branches in the Philippines, with the biggest life agency force of more than 35,000 licensed agents. The company ranked first (1st) among the country's life insurers based on the Insurance Commission's Full Year 2020 rankings in terms of new business annual premium equivalent. Pru Life UK is headquartered in Uptown Bonifacio, Taguig City. Pru Life UK and Prudential plc are not affiliated with Prudential Financial, Inc., (a company whose principal place of business is in the United States of America), Prudential Assurance Company Limited (a subsidiary of M&G plc, a company incorporated in the United Kingdom), Philippine Prudential Life Insurance Company, Prudential Life Plans, Inc. or Prudential Guarantee and Assurance, Inc. (all Philippine-registered companies). Pru Life UK is a life insurance company and is not engaged in the business of selling pre-need plans.
