

Gateway to tech investments worldwide!

PRULink Global Tech Navigator Fund

Your tech-powered fund that invests in the Global Technology Fund of Fidelity International, offered through ATRAM Investments.

The Fund targets potential long-term high returns by investing in companies worldwide that significantly thrive on technological advancements.

Why invest in the Fund?

World-class fund management

Gain access to Fidelity International's Global Technology Fund, expertly managed and offered through ATRAM Investments.

Growth of tech-driven global companies

Ride the next big wave of technology by investing in around 100 major global stocks all significantly benefiting from worldwide tech advancements!

Access to US dollar-denominated stocks with Philippine pesos

Earn potential additional returns from favourable foreign exchange rate movements*.

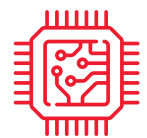

Financial protection

Choose an investment-linked life insurance plan that aligns with your financial goals.

**The Fund is a PHP-unhedged share class and subject to currency risks. Note that there may be potential losses, too, depending on the performance of Philippine peso against US dollar.*
